Dear Parent/Carer,

We are writing to let you know that as part of the whole-school Personal, Social and Health Education which is taught throughout the school, your child's class will be taking part in lessons about "Growing and changing" and "Reproduction and birth" on **Friday 8th and Tuesday 12th July..**

We believe that the delivery of these lessons is essential before your child moves onto the next stage of their school life. As with everything at this school, the teachers are trained to deliver information sensitively and at an age appropriate level. To support this, the children will be split into boys and girls.

We will also be providing you with an opportunity to watch the DVD that we show the children and time to discuss the planning with teachers. Mr Webb will be available for dads to speak to and Ms Elliott will be available for mums. **This will be on Thursday 7th July at 3.30pm.**

We know that the idea of teaching this information may possibly be uncomfortable but every school in the country teaches children about these subjects: so we really believe that it would disadvantage your child if s/he was not able to take part.

If you would like to discuss this further or have any concerns, please see your child's class teacher in the first instance.

Thank you for your continuing support.

Yours sincerely

Elizabeth Gray
