### Vaccinations

#### Flu

It's that time of year where the NHS offer a flu vaccine for all school age children. You will have received a message via School Spider on how to register your child to receive the vaccine in school.

#### Measles

It is important to vaccinate children against Measles due to recent cases reported within the region. Drop in sessions for the MMR vaccine are available at various venues across the city. Please follow this link for more information [School Age Immunisation Service - Sheffield Children's NHS Foundation Trust \(sheffieldchildrens.nhs.uk\)](https://www.sheffieldchildrens.nhs.uk)

### Late arrivals and late collections

We are noticing an increasing number of children arriving late into school. Being 10 minutes late every day equates to 5 days of learning missed per year! Therefore, please ensure your child arrives on time for the school day.

If you know that you will be late to collect your child at the end of the day, please let school know. It is not very nice for children to be waiting in school after everyone else has left.

### PE days

A reminder that children should have a change of clothes and white soled trainers for their PE session. We encourage you to leave it on your child's peg and take it home for washing when necessary. PE days are as follows:

F2 & Y5 – Monday

Y6 – Monday & Thursday

Y1 & Y3 – Wednesday & Thursday

Y2 & Y4 – Tuesday & Friday

### Appointments during school time

Please make sure that doctor, dental and other appointments are made outside of school time. Children leaving for appointments is highly disruptive to their learning.
